– RULES –

Round 1 – Kahoot Quiz :

- All registered teams will participate in a 30-question MCQ quiz on current AI affairs, technologies, and developments.
- One device per team is allowed throughout the round. Additional devices are strictly prohibited.
- Duration: Maximum 30 minutes, with approximately 50–55 seconds per question.
- Scoring will follow Kahoot's standard system, based on correctness and response speed.
- The top 10 teams will qualify for Round 2.
- Ties for the 10th position will be resolved as per the organizers' tie-breaker procedure.

Round 2 – Pass-the-Question:

- The final round will follow a turn-based Pass-the-Question format with no buzzer system.
- The team order will be fixed and announced before the round.
- The primary team gets 15 seconds to answer.
- If unanswered or incorrect, the question passes once to the next team, which gets 5 seconds.
- Scoring: Correct primary answer +10 points; correct passed answer +5 points; incorrect/unanswered 0 points.
- With 10 teams, 20 questions will be asked, giving each team two primary turns.
- Final ranking will be based on Round 2 scores. Ties will follow the announced tie-breaker procedure.
- Answers will be judged according to the pre-decided answer key; the quizmaster's decision is final.
- Unauthorized assistance, communication, or devices may lead to immediate disqualification.
